## A DAY IN MY LIFE

## PHILOSOPHY OF MINISTRY

Ministry is all about helping people catch God's vision for the world and the role they play in that massive dream. By combining heart-rendering worship, powerful sermons with practical applications, and excellent programming, I aim to prepare people to follow Jesus in their own lives – and make disciples along the way.

## MOST PROUD OF

Becoming the first person in Bethel Seminary history to win the Edwin J. Omark award for biblical preaching two years in a row.

Being asked to serve on the Develop Leaders team and lead two workshops for the Evangelical Covenant Church's triennial women's conference, I AM.

Guiding the next generation of female ministry and marketplace leaders by discipling young adults through the Ministry Scholars Program at Bethel University.
